In re Application of

Anders Waesterlid

Serial No. TBA

: PRELIMINARY AMENDMENT

Filed: TBA

For: **METHOD FOR FACILITATING
ELECTRONIC COMMUNICATIONS**

Attorney's Docket No. 4015-321

February 29, 2000
Raleigh, North Carolina

Honorable Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Sir:

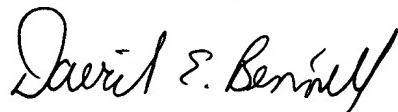

In the Specification

Please amend the specification of the above referenced patent application on page 8, line 23 as follows. "The display 60 lists members of the affinity group along with the pertinent status information of each listed member" should be changed to read "The display 116 lists members of the affinity group along with the pertinent status information of each listed member."

Respectfully submitted,

Coats & Bennett, P.L.L.C.
